

GUIDELINES FOR MONTESSORI & KINDERGARTEN SECTION ACADEMIC YEAR 2018-19

Dear Parents,

We welcome you and your child to the **Montessori / Kindergarten Section** of National Public School, Kengeri.

At this tender age, child is like a mound of clay ready to be molded into a desired shape. It's enthralling to be present in this process of transition of little ones from dependence to inter-dependence to independence. The sequence followed goes from weakness to strength to greater strength. Very soon these clay balls will take different shapes & shades to fascinate our eyes.

Just to ensure a comfortable and joyful stay of your child in NPS, you should be aware of the following generic points:

- Every minute of the day in school being precious for the child's development, parents are requested to see that their child is sent regularly and punctually. The persons who accompany the children should bring them before the first bell. The timings are:

 - **8.55 am for Montessori-I & Nursery**
- Parents are requested **not** to park their vehicles in front of the school gates as this causes inconvenience to the other commuters.

If you need to make alternative arrangements for your child to get home, a diary note must be sent to the teacher that morning, giving necessary details.
