REPORT ON CHILDREN'S DAY - 2016

NPS, Kengeri celebrated Children's Day on 14-11-16, Monday with gaiety and fervour. It was fun-filled day for the students. A day to be remembered cherished that gave all the students a reason to smile. The teachers made the day quite special for the students, as it was organised and performed exclusively by the teachers.

The commencement of the programme was with the welcome speech and message from Principal. The cultural programme started with shloka and ended with the fusion song sung by the teachers. Further, the programme included Panto-mime conveying the message that "Knowledge cannot be stolen." Students were delighted with the Qawwali programme which tickled them about fun filled student life.

The skit filler made all the children 'LOL' with the hilarious performance by the teachers. The most entertaining, enjoyable part of the programme was to see their teachers dance on the melodious as well as peppy dance numbers. The programme came to an end with vote of thanks. The students enjoyed the entire programme and there was a giggle on the face when they came out of the auditorium.

Then the students were taken to the playground for the match played between the students and teachers. They played Throw ball & Volley ball with full Josh & zeal. Before the children left for the day, they were given refreshment. Indeed it was a day to be remembered.
