

## NATIONAL PUBLIC SCHOOL, KENGERI, BENGALURU

### *Report on In-house Workshop (2023-24)*

*“CBSE Programmes for teachers are the foundation on which a quality education system rests. One of the major objectives of CBSE is to organize various continuous capacity building and empowerment programmes to improve teacher quality and update the professional competency of teachers in the overall framework of quality education.”*

*In line with the objective of the CBSE, National Public School, Kengeri, Bangalore organized two-days' Orientation Programme for the Continuous Professional Development of teachers on 18<sup>th</sup> May 2023 and 19<sup>th</sup> May 2023. The resource persons of the workshop on both days were Mr. Giri Balasubramaniam (Giri Pickbrain) Quiz master and CEO, Grey caps and Mr. G Balasubramanian, former director of CBSE. Around 88 teachers from the school attended the session. The work shop began with Lighting the Lamp by the dignitaries of the day.*

*On day-1, the topics dealt in the workshop were- Understanding your winning traits, The future of learning, NEP and NCF: Way forward and the Power of Questioning. On day-2, the topics discussed were- How do children Learn? Life skills for Teachers, Teacher as an influencer and The New Age Teacher. The resource persons delivered the content and made the session interesting through PPT slides, anecdotes and stories and were successful in elucidating in depth the various facets of the topics.*

*The teachers participated actively in the interactive session and had many useful take aways by the end of the 2-day workshop. It fostered the teachers to rethink, relearn and unlearn to keep them updated.*
