Report On Pariksha Pe Charcha- 2024

“Pariksha Pe Charcha 2024”, is an annual event driven by our Honorable Prime Minister Narendra Modi, to bring together students, parents, teachers and the society, to foster an environment, where the unique individuality of every child is celebrated, encouraged and given wings to express themselves.

National Public School, Kengeri, Bengaluru, enabled the students of Grade VIII onwards, along with teachers, to watch the live telecast of “Pariksha Pe Charcha” on 29th January 2024.

Some of the key takeaways from this event include- incorporating a technology with the screen time limit, competing with oneself rather than competing with others towards the path of success, strengthening bonds emerging completely with their family members, and charging oneself with proper diet. The charcha also focused on the expectations and desires of parents vested in their children and emphasized on nurturing the skill of firm decision-making abilities with Swachh Bharat Abhiyan as an example. It also focused on regular exercise and not letting the fear of failure put down motivation to move forward.

The students who witnessed the telecast gained valuable lessons from the Prime Minister’s inspiring words. He motivated the students to ‘work hard with confidence’. The event also successfully highlighted the cultural diversity of our nation, as students from all regions across the country attended the programme.
