

## **NATIONAL PUBLIC SCHOOL, KENGERI, BENGALURU** **SEWA REPORT**

*"Embrace the power of compassion; a small contribution to orphanages can sow seeds of joy that bloom into a lifetime of possibilities for every child."*

*On November 9th 2023, students from NPS Kengeri participated in a charitable event as a part of the CBSE SEWA programme. The objective of the programme was to engage students in community service and instil a sense of social responsibility. The students visited two orphanages, "Kala Jyoti" in Kengeri and "Sukhanksha" in Basaveshwaranagar.*

*As a part of their community service, the students distributed a variety of essential items to the children, including biscuits, chocolates, dry fruits, and Nutri bars. The aim was not only to provide treats but also to ensure that the children received nutritious snacks. The intention was to build meaningful connections and leave a positive impact on the lives of the children.*

*In the reflection session, post the distribution activities, the students had the opportunity to share their thoughts and experiences in the assembly. This aspect of the programme aimed to encourage self-awareness and empathy among the students.*

*The visit left a lasting impact on both the students and the children in the orphanages. It not only brought smiles to the faces of the young ones but also fostered a sense of gratitude and compassion among the students.*

*It is hoped that such initiatives will continue to be an integral part of the school's commitment to holistic education.*
