REPORT ON TEACHERS' ORIENTATION

A Capacity Building Programme on **“Managing Diversity in Classroom”** was conducted, by the Resource Persons’, Ms. Anvesha and Ms. Vinutha, from “Drishti”, on 24th June, 2023 at National Public School, Kengeri, and Bengaluru. The Principal, Vice Principal, Coordinators and 47 teachers were the trainees.

The orientation program focused on the importance of embracing diversity in classroom. Many sub topics like embracing diversity in classroom, freeing children from labels, addressing the issue on students bullied by classmates- interventions on bullying at different levels, reinforcement of kindness, acceptance and inclusion, supporting strategies like: Rewards, Buddy system, Bus stop and Golden time to be implemented in classroom, encouraging students to express empathy were discussed and many activities were conducted during the session.

All the teaching faculties shared their personal experiences about the diversities that they have come across in the classroom and also gave some suggestions on tackling the situation. The orientation Programme was effective to teachers and helped to understand a diverse classroom.
