REPORT ON INTER-SCHOOL COMPETITION 2023-24

"In the crucible of interschool story craft, every word becomes a catalyst, sparking curiosity and igniting the flames of shared knowledge."

The students of National Public School, Kengeri, Bengaluru participated in the Inter-School Competition, "STORYCRAFT FOR HUB SCHOOLS – AI-2023-24, held on 18TH NOVEMBER 2023 organised by VIDYANIKETAN PUBLIC SCHOOL, ULLAL, BENGALURU.

Participation in competitions like the Hub Schools AI Interschool Competition offers students a valuable platform to showcase their talents, foster creativity, and develop essential skills.

Varun Potti of Grade 10A and Vikram Srinivas of Grade 9A secured the 3rd prize in the competition. With their exceptional storytelling abilities and insightful exploration of the theme, they demonstrated a mastery of story craft, weaving narratives that not only adhered to the theme but also showcased their unique perspectives on the concept of time in the topic "Exploring Time." The innate talents of our children surfaced in the course of these events.

The success of Varun Potti and Vikram Srinivas not only underscores their individual abilities but also speaks to the overall commitment to excellence that our school encourages.

We are elated to appreciate and acknowledge our students' who brought laurels to our school.
