Report on inter-school competition-Olympiad

“A winner is someone who recognizes his God-given talents, works to develop them into skills, and uses these skills to accomplish his goals.”

Pranit Goel of Grade X ‘B’ had participated in the International Math Olympiad exam (2022-23), and secured an outstanding international ranking- 2nd place and 1st rank at Zonal level.

In the International Social Science Olympiad exam (2022-23), Shreela Kaudiki of Grade XI secured international ranking- 48th place and 2nd place at Zonal level.

We congratulate them on their well-deserved success and wish them continued success in all their future endeavors.
