

NATIONAL PUBLIC SCHOOL, KENGERI, BENGALURU.

REPORT ON SUMMER TRAINING PROGRAMME

The Times of India NIE Programme, an internationally acclaimed World's No. 1 by the World Association of Newspapers and the International News Media Association, has made pioneering efforts contributing to make learning fun and to take forward the philosophy of helping students to evolve into well-informed, articulate individuals, promote effective usage of newspapers in education through its academic, personality-building activities and its customized student newspaper. It has consistently provided a platform for students to express their views on important issues and hone their writing skills.

Mayank Kubsud of Grade X, National Public School, Kengeri, Bengaluru, was chosen for the prestigious internship opportunity organized by the Times of India exclusively for Times NIE member students from 10th April to 20th April 2023 at Smt. Kamala Bai Educational Institution Edward Road, Off Queens Road, Bangalore. This internship offered him a deep insight into the various facets of the Newspaper industry and the career opportunities that exist within the same.

Around 120 students participated from all over the country and he was one among the 3 participants from Bangalore. He was felicitated by the "The Times" group, for participating in the two-week, Summer Training Programme 2023. He received a "Letter of Honour" and a "Certificate of Merit" to certify that he successfully met all the challenges and is an aspiring journalist today, having learnt how to report, edit stories, write reviews, news features, design colourful and reader-friendly pages.

We wish him all the best in the future!!!!

Hearty Congratulations!!!!
