REPORT ON STORY TELLING SESSION

"A good story can imbibe the right values at the most impressionable age."

To brighten the day of the students with wonderful stories, a storytelling session was organised by National Public School Kengeri. The storytelling session for junior and Pre-Primary students was conducted on 1st September 2023. Mr. Vikram Sridhar, a Story Teller and an Art Practitioner, was invited as the chief guest and the session was carried over by him. The stories narrated by him were created on the spot by using the props available in the room and live moments with music and interaction. The children actively participated and enjoyed the session. The session ended with the moral of life skills, which says that everyone can create a story based on each moment. All the students had a productive day, with plenty of learning and knowledge shared with the young minds.
