REPORT ON A CULTURAL EXPLORATION AT JANAPADALOKA

On 10th Aug 2023, students of grade 3 and 4 embarked on an enriching cultural journey to Janapadaloka, a renowned cultural village located in Ramnagar district of Karnataka. The objective of the trip was to experience the diversity of traditions of Karnataka, its art forms, and lifestyles.

Janapadaloka is a unique cultural village that showcases a diverse range of folk art, crafts, music, dance, and traditional lifestyles from various regions of Karnataka.

During our visit, we were able to witness a variety of:

Folk Dances: The students witnessed a film that showcased various folk-dance forms such as Dollu Kunita, Lambani Nrutya, Veeragase and so forth. These performances were a vivid representation of Karnataka's folk culture.

Art and Craft Workshops: Our group witnessed the traditional crafts like pottery making and weaving.

Our field trip to Janapadaloka was an insightful and enjoyable experience that allowed us to connect with Karnataka's cultural roots. It was an opportunity to appreciate the beauty of our state's traditions and learn about the art forms that have been passed down through generations. This trip not only enhanced our knowledge but also inspired a deeper sense of pride in our cultural heritage. **"Nature is a tool to get children to experience not just the wider world, but themselves."**
