Report on Grade 5 -Field Trip to Gandhi Krishi Vigyana Kendra (GKVK)-Department of Sericulture

Educational tours are a crucial component of the academic program because they give students the chance to learn outside of the classroom and get useful practical experience. There is a proverb that goes, "I hear and I forget, I see and I remember, I do and I comprehend," and it refers to the idea that seeing something being done in a certain location helps people remember it better.."

It Enhances knowledge and understanding, promotes teamwork and social skills, encourages independent learning, promotes creativity and critical thinking, hands-on learning experiences, provides a break from the monotony of classroom learning.

In line with the objective of the of a field trip National Public School, Kengeri, Bangalore organized one day field trip to G.K,V.K for the students of Grade on 11th August 2023. Around 135 Students along with their Class teachers had gone to Department of Sericulture in our school buses.

Once they reached the place, students were accompanied by the training team to the laboratory where they explained with lot of patience, the entire process involved in making the silk thread to silk fabric. Here students were exposed to different types of silk worms, life cycle of a silk worm, its food and type of cocoons, varieties of silk thread, how the silk thread is obtained etc. Students were allowed to touch the silk worm, cocoons and the silk thread. They observed many wall postings related to silk work of different states. Children took notes at the time of explanation and asked interesting questions to the trainer. Children were very curious to know more about the silk worms and the process of making a silk fabric. Children enjoyed tasting the mulberries too.

Students also visited the Botanical garden and explored the garden for different types of plants. They were delighted to run around the garden identifying a few medicinal plants and some birds. On the whole, students were very thrilled to be out of the classroom and had lot of entertainment in the school bus and also relished sharing their snacks with their friends and teachers.

We at NPS, Kengeri, ensure that our students can reap the benefits of educational field trip while following all the safety and other factors.
