Kengeri, Bengaluru REPORT ON GRADE 3 A SPECIAL ASSEMBLY

Every morning is a new opportunity to be thankful for the gift of life and the countless blessings that surround us. When we embrace gratitude, we invite positivity and happiness into our lives.

With this belief, the students of Grade 3A gathered to explore the theme '**Gratitude Beyond Measure**'. They began the assembly by delving into the significance of gratitude, recognizing it as more than a mere expression of politeness.

The assembly emphasized the positive impact of gratitude on mental well-being. It helps in building relationships and creating a sense of unity.

To encourage the culture of gratitude, students recited a poem and performed an emotive dance celebrating the joy of being thankful together.

As the students concluded the assembly, they conveyed the message to carry the spirit of gratitude, recognizing the power it holds to enrich our lives and the lives of those around us.

THANK YOU
