REPORT ON HINDI DIWAS 2023

Hindi Divas is celebrated in India to commemorate the day on which the language, written in Devanagari script, received official status in the Republic of India. It is a day when we pause to cherish and pay tribute to the solemn language which is rich in history and culture.

The students of Grade 7,8 and 9 participated exuberantly in different programmes to experience the significance of Hindi Divas. The celebration included songs, dances, skit and Mad-ads in Hindi. The group song in Hindi was melodious and soothing to the ears. The students staged a skit on Kalinga war, illustrating Emperor Ashoka's triumph in his conquest of Kalinga and how the brutal aftermath transformed his perspective on warfare, prompting him to vow never to engage in aggressive wars again and embrace Buddhism. The dance portrayal of Lord Shiva and Sati Devi received huge applause. The "Mad-ad" skit by the students of Grades 9 and 10 was outstanding. Their imaginative advertisement for the Ghost Bungalow, along with the inventive portrayal of ghosts selling the property, was particularly ingenious.

Through their performances, the children highlighted the importance of the Hindi language. Each program utilized Hindi as its primary medium. The celebration of Hindi Divas gave an insight into India's rich linguistic tapestry, placing special emphasis on the significance of Hindi language.
