Report on World Music Day'23

Fête de la Musique

“Music gives soul to the Universe, wings to mind and life to everything.”

World Music Day was celebrated on 21st June 2023, by the students of National Public School, Kengeri, Bengaluru. This was a platform for students to showcase their talents. The programme started with Instrumental Music followed by Vocals. The children touched upon different genres of music. It was a spectacular show with great enthusiasm.

The audience was enthralled by the rendition of melodious songs, and instruments like key board, tabla, and congo. The programme ended with a group of students singing the songs “Alone” and “Unstoppable” in perfect synchrony. This celebration of music not only played a vital role in the overall holistic development of the students but also created awareness among children about the importance of music in our life.
