

NATIONAL PUBLIC SCHOOL, Kengeri, Bengaluru

REPORT ON **CELEBRINO 2023**... **saga of creative expression**

“Genius is the gold in the mine; talent is the miner that works and brings it out.”

National Public School, Kengeri, Bengaluru, conducted Co-Curricular Activities (CCA) for students of Grades 6 to 12 from 16th October to 18th October, 2023. CCA provides students with opportunities to develop various skills beyond academics. It encourages a spirit of healthy competition among students and promotes a desire to excel. Engaging in creative and fun activities serve as a stress relief mechanism. It allows students to relax and unwind from the pressures of academics. It contributes to a more holistic education, nurturing not only cognitive abilities but also emotional, social, and physical development.

This year CCA included a wide range of group and individual competitions such as solo song, dance, potpourri, question games, debate, photography, tattoo, mehndi, mandala art, 3D art, street play, fireless cooking etc, which offered several advantages for the students who took part in it enthusiastically. Participation in activities like dance, art, and music enhanced creativity and artistic abilities, while debate and question games aided in improving critical thinking and communication skills. Group activities like street plays and potpourri promoted teamwork and cooperation, helping students build better interpersonal skills. These experiences taught them ways to work with others effectively.

In addition to these advantages, participating in CCA activities was a memorable and enjoyable experience for the students, thereby enhancing their overall school life. It was an excellent initiative by the school, to encourage students to explore their interests and talent beyond the classroom.
