

National Public School, Kengeri, Bengaluru *Report on Grade 6-8 'Excursion*

"Travel makes you realize that no matter how much you know, there's always more to learn."

School Excursions aim to maximise students' learning and development. The students of Grade VI to VIII embarked on an exciting excursion to Suggee Resort on Wednesday 17 January, 2024 for an enriching and enjoyable experience.

The resort, strategically located just 50 km away from the bustling city of Bengaluru, offered a perfect blend of adventure and recreational activities. Upon arrival, the students were immediately captivated by the well-planned itinerary, ensuring that no one was left idle or bored. The day was filled with a myriad of activities and adventure sports, with highlights including Zip line, Sky Cycling, Bull Ride, and the exhilarating Burma Bridge.

The resort's diverse attractions extended beyond adventure sports, featuring a fascinating array of animals such as Emu, Goose, hens, and ducks, adding an element of curiosity to the overall experience.

Throughout the day, the students actively participated in the activities, both mentally and physically, showcasing their enthusiasm and zest for adventure. The sense of enjoyment was heightened by a sumptuous lunch and snacks, creating a well-rounded experience for all. The students were eager to extend their adventure. The return journey brought them back to the school premises, marking the conclusion of a well-spent day filled with both learning and fun.

The excursion to Suggee Resort provided a perfect blend of education and recreation, leaving a lasting impression on the students and creating cherished memories of a day well spent.
