Dear Parents,

I hope you had a pleasant and soothing summer! I would like to take this opportunity to welcome you back for another exciting school year 2023-24. I extend a special welcome for those who are new to our school community. We are committed to provide holistic learning through a secure, and fostering environment designed to inspire and enrich, life-long learning.

**PRINCIPAL'S DESK**

Treasure Trove – our monthly newsletter, has been a great way to share the activities, assessments and events happening at our school for the entire year.

So, let's once again connect back to the 'Treasure Trove' for this academic year 2023-24.

Thanking for your endless cooperation and expecting the same in the future.

Regards

Principal

## Grade XII Assembly

The Students celebrated 'World Environment Day' on 5 June 2023. They emphasized the need of the hour - 'Refuse, Reduce, Reuse and Recycle' of plastics and the ill effects of environment pollution. They performed a street play instilling the importance of protecting our environment.
