*“Justice and Peace are the two faces of a same coin”*

*The students of Grade 10 C presented their Class Assembly to commemorate, International Justice Day 2023 as a 'Tribute to Anuradha Saha', who sacrificed her life due to medical negligence in 1998.*

*World Day for International Justice, also referred to as Day of International Criminal Justice or International Justice Day, is an international day celebrated throughout the world on July 17 as part of an effort to recognize the emerging system of international criminal justice. July 17 is the date of the adoption of the treaty that created the International Criminal Court.*

*To commemorate this journey of success, a snapshot was presented on the first day of the assembly. The complete assembly emphasized the theme of, 'Justice may be delayed, but not denied'. Presentation of information on different cases during Covid 19, where justice was served but not denied, strengthened the trust and belief in Indian Judicial System.*

*Indeed, it was a great opportunity for the students to know about these cases, which was a case-based research. During the different phases of preparation and execution, students stressed the importance to build trust towards our judicial system. Apparently, when students presented the cases based on collaborated research, this raised everyone's appreciation. Many of these cases are misinterpreted by our media, but our students did their best to present accurate information.*

*A one act role play titled, 'A Tribute to Mrs. Anuradha Saha' portraying unjust sacrifice of Mrs. Anuradha Saha, captured the silence of the aura and attention of everyone through its emotion packed enactment and narration.*

*The class assembly was concluded meaningfully by dedicating one minute silence for Mrs. Anuradha Saha. The class assembly provided an experience and opportunity to all the students, to feel proud of their motherland.*
