*Report on Class Assembly*

***"The bond of blood is stronger than everything"***

*Grade- XI A and B*

*The students of Grade XI presented their class assembly from 14<sup>th</sup> June 2023 to 24<sup>th</sup> June 2023 on the topic **"Blood and Organ Donation"**.*

*They presented the topic through skit and street play. It was filled with information and fun.*

*The class assembly emphasized on the various components of blood without which our body cannot function. They displayed the information through a skit and thus provided a beautiful introduction to the topic. A musical skit with a song shared information about various blood groups and their compatibility with each other, with a slight sense of humor. The assembly was filled with joy and awareness. The students performed a play on 'Illegal organ trafficking' where they showed the negative side of the topic and educated everyone to be aware of such cases.*

*The final day of the assembly was scooped with an emotional street play based on a true story on Rolly, a 6-year-old, who dies and donates her organs, leaving everyone inspired. It was presented with a touch of humor. The perfection brought on tangled smiles on all the faces.*
