

Report on Grade X 'A' Assembly

The students of Grade X 'A' presented their assembly programme from 26th June 2023 to 3rd July 2023. The special assembly programme covered topics like National Chocolate Pudding Day, Tau Day, National Doctors' Day and Digital India.

The students, on 26th June 2023, gave vast information on the special day of chocolates. Tau day which is dedicated to honor the mathematical constant 'tau' was celebrated on 28th June, with this year's Tau Day theme, "Embracing Mathematical Harmony." National Doctors' Day was celebrated on 1st July, with the theme, "Celebrating Resilience and Healing Hands" to highlight the different aspects of the medical profession, acknowledge the contribution and honour our saviour's effort.

As a token of gratitude, all the students celebrated the day by involving in various activities like sharing the information of history, theme, significance of the day and a skit. 'Digital India' was celebrated on 3rd July 2023, to acknowledge the unprecedented digital transformation of India, and to make school children aware of the latest technology. The students explained the objectives of Digital India, through Poster-making, chart making, collage work and slogan-writing activities.

The whole week's programme was filled with information, Celebration of special occasion and gratitude.
