Assembly Report of Grade '6D'

Fun

School assembly programme creates an ambience for learning and unfolds the true potential of every child. With great delight and enthusiasm, Grade VI 'D' presented their class assembly for three days on the topic "Children's Day"- to celebrate the spirit of childhood.

The objective of the assembly was to provide a platform for students to showcase their talents, in the form of dance performances, artwork, music and creative expression. It emphasized on valuing every child for their innate potential.

On 15th November 2023, Takshama and Aastha confidently presented, a talk in the form of conversation on the topic, "Significance of being a child". The audience were enthralled by the impeccable performance of the students. It added a spirit of happiness among the children. On 18th November 2023, the students presented a melodious group song accompanied by Kishan on Congo. On 20th November 2023, Tanmay Sukeerti conducted picture quiz in which pictures were displayed on placards. The students participated actively in deciphering the picture code.

The class assembly was a great experiential learning to the students. It provided an opportunity to take on leadership roles, learn public speaking skills and develop team work. The students executed their assembly extremely well through their team work.
