Report of Grade 9 'D' Assembly

“Set Your Heart Upon Your Work but Never on its Reward” - From Bhagavad-Gita

The students of Grade IX 'D' conducted their class assembly on the topic 'Krishna Janmashtami' from 4th September 2023 to 13th September 2023. All the students of the class participated in different presentations on different days.

On the first day of the assembly programme, students asked few quiz questions about KRISHNA and the students tried to answer to their best knowledge. As it was 'Krishna Janmashtami' on the second day of the assembly, the girls of the class danced on few songs related to Krishna. It was indeed a mesmerising performance. On the third day of the assembly students chanted few shlokas related to life lessons taught by Krishna from Bhagavad-Gita and precisely explained the meaning of it which was worth listening. On the last day of the assembly, the students narrated a small story in the form of conversation between Krishna and Karna where Krishna answers the questions asked by Karna about Dharma and Karma.

The class assembly ended with a beautiful quote of Krishna- "Believe in yourself and do your karma. Success will follow you automatically. Doing karma is in our hands, but result is not in our hands."
