*The students of Grades 9-12 participated in SEWA (Social Empowerment through Work Education and Action) initiative, on 20 December, 2024, at ‘Jeevan Sandhya Trust’, an old age home. The purpose of the event was to empower students through community service and to provide essential support to elderly residents.*

*In the week leading up to the event, the students, under the guidance of their teachers, collected groceries including rice, flour, pulses, fruits, etc. and generously contributed to the cause, ensuring a collection of a wide range of items.*

*On the day of the donation, the students visited ‘Jeevan Sandhya Trust’, where they donated the groceries to the elderly residents. The volunteers also spent time interacting with the residents, listening to their life stories, and providing companionship. This experience helped the students develop empathy and a deeper understanding of social responsibility.*

*The SEWA initiative proved to be a meaningful learning experience for the students, emphasizing the value of community service and promoting a sense of compassion and kindness. The event highlighted the importance of giving back to society, and we, at National Public School, Kengeri, Bengaluru, look forward to continue such impactful initiatives.*
