Report on inter school competition

Amateur Scientist-2024-2025

“Success is not final; failure is not fatal: It is the courage to continue that counts”.

– Winston Churchill.

Competitions play a vital role in motivating students to perform, excel, and develop skills that go far beyond winning prizes.

The students of Grades IX, X, XI, and XII from our school enthusiastically participated in the Inter-School Competition, ‘Amateur Scientist’ held at PES University on Saturday, 31st August 2024. Vedant Tripathi of Grade IX ‘C’ competed in the Gaming Intellect event and secured Second Place, demonstrating his strategic thinking and problem-solving abilities. Pari K Samani of Grade XII, along with Anchal Patel, Anagha Tilgul, and Pushkarani M of Grade XI, participated in the Shark Tank competition, securing Third Place. Their performance highlighted creativity, teamwork, and entrepreneurial spirit.

All participants displayed remarkable enthusiasm, perseverance, and a competitive spirit, making the school proud with their achievements. Their participation not only showcased their individual talents but also highlighted the value of collaboration, innovation, and critical thinking.

Congratulations
