### INTERSCHOOL COMPETITION "IGNIS" REPORT

**"Winning doesn't always mean being first. Winning means you're doing better than you've ever done before".**

Inter School Competitions are an excellent platform for students to showcase their different skills, creativity and boost their confidence. On 23<sup>rd</sup> August 2024, 37 students from grade 1 to 5 participated in Inter School Competition held in Delhi Public School, Electronic City. There were around 19 schools from all over Bangalore participated in the competition.

Students representing National Public School, Kengeri had participated with zeal and anticipation and they could grab total three prizes altogether; 2<sup>nd</sup> prize in "Cooking without fire"; 3<sup>rd</sup> prizes in "Dance" and Hindi Recitation "Devnagari ke Diwane", respectively.

"Participation in competition is more important than wining". Students got good opportunity to experience the competition and enhance their artistic, linguistic skills and could gain confidence, which is very essential for the overall development of the child. Such competitions promote a culture of intellectual exchange and prepare students for real- world challenges.

**Your hard work and perseverance have paid off.  
Congratulations!**
