

National Public School, Kengeri, Bengaluru

Report on ANUYATRA - 2025

“The science of today is the technology of tomorrow.”

The students of Grades 8, 9, and 11 of National Public School, Kengeri, Bengaluru, participated in ANU YATRA 2025, organized by RV College of Engineering, Bengaluru, on 27 January, 2025. The event aimed to promote intellectual and creative skills among students by providing a platform to showcase their talents. It featured a Quiz Competition and a Painting/Sketching contest. The competition witnessed enthusiastic participation from multiple schools, challenging students' knowledge and creativity.

Our students, Daksha of Grade 11, Bhuvan L of Grade 9 and Akanksha of Grade 8 secured first place in quiz competition and were declared winners. In Painting and Sketching Competition, Manasi Varun of Grade 11 secured First Place and was declared winner.

ANU YATRA 2025 was a grand success, fostering healthy competition and encouraging students to expand their knowledge and creativity. The winners were recognized for their outstanding performances, and all participants were appreciated. RV College of Engineering's initiative to inspire young minds to excel was commendable. Indeed this event was a memorable one.
