Report on Inter School Competition- "Youth Udyami Prayaas"

The "Youth Udyami Prayaas" initiative, organized by IIM Bangalore, is a year-long youth entrepreneurship project aimed at fostering entrepreneurial skills among the students, the program encourages participants to develop start-up ideas with minimal initial investments and build working models over several months. The initiative includes multiple stages, each focusing on key aspects of starting and running a successful business.

In June 2024, Grade 12 Commerce students—Payal N. Sharma, Pari K. Samani, and Mahalakshmi S. Naidu—participated in the initial online competition, which saw entries from 200 schools. Our student's innovative approach secured them a spot among the top six finalists.

The grand finale took place on February 2, 2025, at IIM Bangalore. Our team showcased their project, demonstrating exceptional entrepreneurial spirit and thorough preparation. We are immensely proud of their outstanding accomplishment.
