KNOWLEDGE KNOCK - OUT

"The future belongs to those who believe in the beauty of their dreams."

The students from National Public School, Kengeri, Bengaluru, showcased their exceptional talent in the prestigious interschool competition, "Knowledge Knock-out", organized by National Public School, Banashankari, Bengaluru, on 13th July 2024. The competition featured a variety of events, highlighting academic prowess, linguistic skills, and cultural knowledge.

In 'Science Talk' junior, Atharv Sunder Raj from Grade 8 secured first place, impressing the judges with his understanding of scientific concepts and effective communication skills. In 'Sanskrit Shloka' recitation, Anagha Kulkarni from Grade 8 secured first place by showcasing her proficiency in Sanskrit recitation with a melodious rendition and accurate pronunciation of ancient Sanskrit verses. In 'Linguistic Luminaries', Siddharth Hiremath from Grade 7, won first place by displaying exceptional command over his language and quick-thinking abilities.

The achievements of the students in these events speaks volumes about their dedication and talent, as well as the school's commitment to holistic education. NPS Kengeri continues to uphold its reputation for academic excellence and all-round development, preparing students to excel in various fields of knowledge and competition.
