"A Picnic is a blanket of sunshine and a basket full of laughter."

The school picnic to Rock Sport Resort on February 4, 2025, was an exciting and memorable experience for all students. The journey by bus was lively, filled with singing and laughter. Upon arrival, students were greeted by the beautiful natural surroundings and fresh air, setting the perfect tone for an adventurous day. They enthusiastically participated in thrilling activities like rock climbing, rope courses, and zip-lining, which challenged their physical and mental strength.

Apart from the adventure, students enjoyed delicious breakfast and lunch, which provided much-needed energy for the day's activities. The picnic was not just about fun but also about learning, building confidence, and creating strong friendships. As the day ended, students shared their favorite moments and took group pictures to cherish the memories.
