Report on Grade II Assembly

“Strive not to be a success, but rather to be of value”.

The Grade 2 assemblies were a captivating series covering topics like unity, caring for nature, wise use of technology, celebrating diversity, completing homework on time, and the significance of math in everyday life. Students learned about the power of unity, the legacy of Dr. Salim Ali, World Television Day, and National Integration Day. These themes instilled values such as responsibility, respect, perseverance, and the importance of logical thinking and problem-solving skills.

By emphasizing these essential moral values, the assemblies aimed to nurture responsible and empathetic individuals. Students were encouraged to practice unity, care for nature, use technology wisely, celebrate diversity, diligently complete their homework, and share kindness, making the world a better place.
