WHIZ - KIDZ 2024

"Knowledge becomes power only when we put it into use."

The eagerly awaited Whiz Kidz-2024 competition ignited the enthusiasm of young minds at NPS Kengeri on August 22nd and 23rd, 2024. This grand celebration of intellect and innovation offered participants a unique platform to showcase their knowledge, creativity, and talent across various disciplines, ensuring a memorable and enriching experience for all. The event fostered a spirit of camaraderie and excellence, inspiring students to embrace their creativity and ingenuity.

The occasion was honored by Mr. Mayank Solanki, Founder CEO of Val-Ed Initiatives, who delivered an inspiring message emphasizing that success is a choice, not chance. The Secretary Mrs. Divya B.S., the Principal Ms. Geeta Dikshit, the Vice-Principal Ms. Suman Singh, the Center Head Ms. Poornima Ramesh, , and the Coordinators Ms. Malini K.S. and Ms. Geetha C. also graced the event, adding to its significance.

Over two days, around 306 students participated in various competitions, showcasing their diverse skills. Math-A-Palooza challenged their math abilities, while Code Warrior tested coding and logic skills. Model United Nations and Talkative Titans enhanced discussions and public speaking.

Musical and cultural creativity was highlighted in Sangeet Sargam and Prateeksha, the Kannada language competition brought a wealth of knowledge while Muhavare Ki Dhoom focused on Hindi idioms. The event included Art where students expressed their creativity through visual art.

Whiz Kidz-2024 provided an exceptional platform for students to transform their intellectual assets into real-world achievements. Participants pursued excellence, built meaningful connections, and embraced the thrill of discovery, celebrating the brilliance, talent, and transformative power of knowledge.
