

# CCA CELEBRINO 2024 - 25

National Public School, Kengeri, conducted a three-day CCA (Co-Curricular Activities) program for students for grades 6 to 12 from September 2, 2024. The event was inaugurated by our esteemed Principal, Ms. Geetha Dikshit, who highlighted the importance of holistic development through co-curricular activities.

The program included a variety of competitions such as Shark Tank, Halloween ramp walk, Mug and Glass bottle painting, Toran making, Dance, Music, and Art allowing students to showcase their talents and skills. The three-day event concluded on a high note with an energetic cheer squad performance.

Enthusiastic participation from students made the event a grand success. The CCA activities encouraged students to step out of their comfort zones and explore new areas of interest.
