

National Public School Kengeri, Bengaluru

Report - Teachers' Day Celebration

"Teaching is the greatest act of optimism."

Teachers' Day was celebrated with immense enthusiasm and joy at National Public School, Kengeri, Bengaluru, in honour of Dr. Sarvepalli Radhakrishnan. This special occasion not only acknowledged the invaluable contributions of educators but also emphasized the profound impact teachers have in shaping the future.

The event was graced by the presence of the Secretary Mrs. Divya BS, the Principal Mrs. Geetha Dikshit, the Vice Principal, Mrs. Suman Singh, the Centre head of NPSK Junior Wing, Mrs. Poornima Ramesh alongside all the dedicated teachers of the school. The day was filled with vibrant activities and heartfelt tributes, reflecting the admiration and respect the students have for their mentors.

The students organized a splendid array of performances, including dance and music, to honour their teachers. Grade X students captivated the audience with a lively dance performance, while others hosted a karaoke live music session to uplift the spirit of their mentors. An interactive quiz designed specifically for the teachers, further added to the lively atmosphere, with enthusiastic participation from both educators and the cheering audience.

The highlight of the celebration was a special segment where the teachers themselves took the stage, performing an engaging dance and a hilarious skit, sparking much laughter and joy. This segment showcased the multifaceted talents of the teachers offering a refreshing break from their daily routine.

The celebration was a delightful mix of entertainment and appreciation, reflecting both the fun and the significant responsibilities that come with being an educator.

The students Pranit, who scored a perfect centum in Math, and Sinchana, who achieved centum in Kannada in CBSE Board Examination 2023-24, were also honoured for their exceptional accomplishment.

As the event concluded, everyone left with fond memories and a renewed sense of gratitude for the teachers who inspire, guide, and shape the next generation.
