

National Public School, Kengeri, Bengaluru **Report on World Environment Day-2024**

“Our Land, Our Future.....nurture nature to have a nurturing future”

National Public School, Kengeri, Bengaluru, celebrated World Environment Day, with great enthusiasm, on 5 June 2024, with the theme “Land Restoration, Desertification, and Drought Resilience”

The celebration was graced by the Principal, Ms. Geeta Dikshit, the guest speaker Mr. Rishabh Varma (alumni, NPS, Kengeri), the Vice-Principal, Ms. Suman Singh, and parents. Students from Grades 9 to 12 presented the programme, featuring various activities highlighting the importance of conserving our environment.

The event included a talk on the significance of plants, street play focusing on the protection of the five elements of earth, “Transforming Trash” activity, and tree plantation drive known as ‘Van Mahotsav’. The students participated with enthusiasm and showcased their commitment through their performance. Their presentation underscored the concept of environment preservation and restoration.

The students of Grades 6 and 7 took part in an exciting 30-days Sustainable Goal Challenge, where they came up with 30 creative and practical ways to live in a more sustainable way. Meanwhile, Grade 8 students showcased their responsibility towards nature by writing catchy, inspiring jingles to celebrate World Environment Day, spreading awareness about the importance of protecting our planet. Their enthusiasm and creativity highlighted their commitment to a greener future.

The parents were also actively involved in the event, through the sapling plantation activity. Their participation added a sense of collective responsibility towards protecting our environment. It emphasized the harmful effects of plastic on the environment, promoting a conscious shift towards sustainable practices. The programme was well-received by both students and parents, serving as a poignant reminder of our duty to care “Mother Earth-the giver of life.”
