Report on Grade 6 Excursion

“Travelling allows students to move beyond the classroom, where learning transforms into an experience, and knowledge is not just taught, but lived.”

National Public School, Kengeri, Bengaluru, organized an excursion for the students of Grade 6, on 19th December 2024, to ‘Jana Pada Kaladarshana’, a cultural and educational center that beautifully showcases the traditional art and heritage of Karnataka. This trip provided a perfect blend of entertainment, learning, and cultural immersion, offering a unique experience for both students and teachers alike.

From the outset, the trip was flawlessly organized. The cultural activities, entertainment, and meals were well-balanced, ensuring a smooth and enjoyable day for everyone involved. The students had the opportunity to participate in various engaging activities, including a Tonga ride, a visit to the museum, tug of war, top spinning, and pottery making. These activities not only offered fun and excitement but also allowed students to experience Karnataka’s traditional games and crafts, firsthand.

Beyond the enjoyment, the trip offered a valuable opportunity to learn about Karnataka’s rich cultural heritage. The students were immersed in captivating folk music and dance performances, along with informative sessions about the state’s history, arts, and traditions. These experiences not only entertained but also deepened their understanding of Karnataka’s vibrant cultural identity.

The excursion proved to be an unforgettable and enriching experience for students, creating memories that would be cherished for years to come. This excursion stands as a testimony of cultural experience for the students.
