### **REPORT ON EDUCATIONAL TRIP 2024-25 Grade – 7**

*The students of Grade 7 embarked on an educational field trip to Dairy Classic Ice Creams Pvt Ltd. on 25<sup>th</sup> June 2024 and 26<sup>th</sup> June 2024. The trip started with high spirits and enthusiasm among the students. As the students entered the ice cream factory, they were accompanied by an employee, who explained the production process of dairy products and ice cream.*

*The students observed the 'Hot Storage' and experienced the 'Cold Storage' as well. They were informed about the different layers of packaging and also the process involved in segregating the raw material into different compartments. The students got a chance to see the packaging of ice creams of different flavours, sizes and shapes.*

*Overall, the field trip to Dairy Classic Ice Creams Pvt Ltd was an informative and insightful experience that piqued students' curiosity and deepened their understanding of quality control measures, and practice sustainable methods in food manufacturing.*
