

# National Public School Kengeri, Bengaluru

## REPORT ON EDUCATIONAL TRIP-GRADES 10 TO 12

"Aim for the stars, and even if you miss, you'll land on the moon - just like ISRO."

National Public School, Kengeri, Bengaluru, organised one-day educational trip to ISRO, Bengaluru, for the students of Grades X, XI and XII, on 12<sup>th</sup> July 2024.

The ISRO team warmly welcomed everyone. A video on Chandrayaan-3, was shown to the students. The in-charge personnel of the trip explained about all the models kept in the 'exhibit' campus. Later the students were taken to witness the making of rocket.

The students witnessed the incredible teamwork of the members. They gained insights of technology and research involved in the launching of the satellite. It was a reminder that curiosity and innovation could lead to amazing discoveries. They also understood the progress in rocket design, rocket propulsion and space exploration techniques. It was an innovative, interesting and informative experience for all the students.

**"Let ISRO's achievements inspire everyone to shoot for the moon, and beyond."**
