Father's Day

Grade 10A celebrated Father's Day with a touching tribute to father figures. The program included a skit and a talk that emphasized the vital role fathers play in our lives, honouring their hard work and dedication to their families.

Students Awareness Programme

On 29 June 2024, an informative session on drug abuse and illicit trafficking was conducted for students of higher secondary classes. The event featured talks by police personnel, who educated the students on the harmful effects of substance abuse. This initiative aimed to raise awareness among the students about the dangers of drug use.

Student Council Election

Students from Grade V to XII had the opportunity to cast their Electronic votes for the student council election allowing them to exercise their rights to choose the most suitable candidates.

International Yoga Day

International Yoga Day was celebrated zestfully on 21st June, Friday, with engaging activities-guided yoga sessions and mindful exercises for students. The event emphasized the importance of physical and mental well-being, fostering a sense of calm and focus among participants.
