World Television Day**

Grade 9 to 12 Picnic

School picnic was organized for students of grades 9 to 12 from November 14 to 17, 2024, to explore the architectural marvels of our state—Beluru, Halebeedu, and Shravanabelagola. During this trip, students gained valuable insights into the rich history, temples, and fascinating stories associated with these iconic places. The three-days excursion was both informative and fun-filled, offering students the opportunity to create lasting memories while learning about our cultural heritage. It was truly an unforgettable experience, adding a remarkable chapter to their album of memories.

Children's Day

This year's Children's Day was a grand celebration, featuring a teacher's assembly, a friendly throw ball match, and a tug of war for the senior students. The junior students came dressed in traditional attires from different states and brought special foods from those regions, which they shared with their friends. They also enjoyed fun classroom games, making it a day filled with joy and camaraderie.

NPS Kengeri organized its Annual Sports Day on November 28, 2024. The event was graced by the presence of Ms. Rakshita Raju, a distinguished international para athlete as the chief guest. The occasion was a resounding success, bringing together parents, students, and teachers in a spirited celebration of sportsmanship and excellence.

Winners Wall

**Under 18
Swimming - Gold Medalist -
Tanurith Jaya Kumar (12A)**

Free Style Back Stroke Butterfly
