GRADE 8 'D' ASSEMBLY REPORT

“The divine light of Diwali spreads peace, prosperity and happiness in our hearts.

The exhilaration and celebratory spirit that Diwali brings with itself is unparalleled. Diwali is said to be the festival of lights, and a symbol of the triumph of good over evil. In a way, it is also the celebration of the awakening and awareness of the Inner Light, which is present within each one of us and has the power to outshine the darkness.

To commemorate the occasion, the students of Grade VIII 'D' presented a special assembly themed, 'Diwali- Illuminating lives' in the first and second week of November, 2024. The students delivered a spectacular performance by chanting shlokas, demonstrating a profound intellectual and spiritual connection with their meanings; one-act play by students that highlights the importance of celebrating Diwali sustainably, inspiring the audience to adopt eco-friendly practices and embrace a greener way of celebrating the festival; a dance performance set to a song dedicated to Lord Ram and drama, that not only brought forth the essence of Diwali and associated festivities, but also touched the hearts of the audience, teaching them the value of giving and spreading happiness.

Overall, the students of Class VIII 'D' organized a vibrant and meaningful assembly to celebrate 'Diwali' the festival of lights, with a focus on its cultural, spiritual, and environmental significance. The program was a blend of traditional performances, thought-provoking skits, and inspiring messages, aimed at promoting a greener and more sustainable way of celebrating the festival.
