Report on Class Assembly Grade 11 A & B

Unsung freedom fighters of India

“A WOMAN WARRIOR FIGHTS WITH THE STRENGTH OF HER HEART, NOT HER FISTS.”

The students of Grade 11 presented their Class Assembly on the topic, ‘A Tribute to Unsung Freedom Fighters of India’ in the second week of August 2024.

The students presented a declamation on Lakshmi Sehgal, Matangini Hazra and Rani Channabhairadevi. They unveiled few facts about brave heroines of the Indian freedom struggle through a small act about their courage and valour. A melodious rendition of original song of Vande mataram created an aura to remember the sacrifices of these great souls who defied societal norms, fought with valor, and contributed significantly to the freedom movement. Without their sacrifices and vision, India would have never seen the British flag come down. They also dedicated their programme to the women who has sacrificed for the sake of country in Armed forces in Post –Independence Era.

A small role-play was dedicated to Gunjan Saxena, who joined Indian Air Force (IAF) as a pilot in 1996. She was the cadet who proved the best Women officers, who gave their country their best. The assembly celebrated and saluted all such heroes through this small role play. A podcast giving the information about the Freedom Fighter Veer Savarkar was presented with a proud patriotic feeling. The assembly saluted the brave Savarkar who shook the entire British only with his pen.

The assembly presentation aroused patriotic fervour in all the students.
