

## **National Public School Kengeri, Bengaluru**

### **Class Assembly Report - 9D**

*The students of Grade 9 D presented their class assembly in the first week of August, on the topic, “World Wide Web”*

*WWW- World Wide Web, is a transformative force that shapes how we communicate, gather information, and entertain ourselves in the modern era. The students explored various facets of the web, demonstrated its impact through a range of activities and contributed to a deeper understanding of the topic.*

*Nihal and Sharadhi shared essential information about the World Wide Web, to provide a clear and engaging overview of its foundational aspects, history and development of the web, as well as about the key concepts such as browsers, websites, and search engines; WWW’s significance in connecting people globally and providing access to information. A quiz followed by skit highlighted the essence of World Wide Web. A musical performance- a segment of the skit, provided Ritvik and Rishwin, an opportunity to showcase their talents in a delightful way. A dance skit performance featured trending songs and moves, demonstrating how the web influence sets a trend. It highlighted the cultural impact of the World Wide Web.*

*The assembly programme provided a comprehensive exploration of the World Wide Web, from its basic principles to its profound impact on modern culture. This lively and enigmatic performance captured the essence of the World Wide Web’s influence on contemporary culture and entertainment.*
