REPORT ON GRADE 6 E CLASS ASSEMBLY**

World Sparrow Day is celebrated to raise awareness and protect sparrows and other birds. The day also highlights the need to conserve sparrows and their habitats.

The students of Grade VI 'E' presented their class assembly on the theme, 'World Sparrow Day' in the first week of March 2025.

The students enacted a skit to raise awareness about the declining sparrow population and the importance of protecting sparrows. A poem, on protecting sparrows written and composed by one of the students of Grade 6 'E', was recited by the students. Few students gave information about the decrease in the sparrow population and the need for their conservation.

The event showcased the students' creativity and talent. It urged a call for action and safe guard and conserve sparrows. The students participated enthusiastically in the assembly and made it a great success.
