

NATIONAL PUBLIC SCHOOL KENGARI, BENGALURU

Saksham Event Circle of Gratitude

The Circle of Gratitude event, conducted by the Saksham Value Education Team, was held in the Main Auditorium on 15th October 2025 at NPS Kengeri for the Grade 1 students and their parents. The program aimed to nurture the value of gratitude among young learners and to encourage parents to model and reinforce this value in their daily lives.

The event commenced with the lighting of the lamp, symbolising the dispelling of darkness and the ushering in of knowledge and positivity. This was followed by a soulful invocation song, a vibrant medley and a warm welcome speech presented by the enthusiastic students of Grade 1.

The guest speaker, Ms. Neha Phull, led the core session through a series of engaging activities that highlighted the importance of expressing gratitude as a fundamental value. She emphasised how simple acts of thankfulness can create meaningful connections and enrich relationships within families and the community. Both children and parents participated wholeheartedly in the activities and discussions, reflecting deep involvement and emotional resonance with the theme. Many parents shared that the session left a lasting impact and expressed their appreciation for the thoughtful initiative.

The principal addressed the gathering, acknowledging the efforts of the Saksham team, the teachers and the active participation of the parents.

As a mark of respect, the gathering observed one minute of silence, showing gratitude and paying homage to the late Salumarada Thimmakka, the revered "Mother of Trees."

The event concluded with a heartfelt vote of thanks delivered by a Grade 1 student, marking the end of an enriching and inspiring morning dedicated to gratitude.
