Report on Annual Day Celebration 2025 – 26

Spandan: Hues of Humanity

The Annual Day Celebration 2025 of Grade 4 and 5, titled Spandan: Hues of Humanity, was celebrated with great enthusiasm on 19th and 20th December 2025 at 4:30 p.m. in the National Public School Junior Wing Auditorium. The event provided a wonderful platform for students to showcase their creativity, confidence and expressive talents, making it a memorable occasion for everyone present.

The programme commenced with a warm welcome extended to the dignitaries, including the Chief Guest, Mrs. Divya B. S., Secretary, and National Public School Kengeri. The students delivered a gracious welcome speech, followed by an inspiring address by the Principal Ma'am, who appreciated the efforts of the students and teachers and encouraged the young performers.

Students of Grades 4 and 5 presented a thoughtfully designed thematic skit based on the story of colours, portraying various human emotions such as anger, innocence, frustration, happiness, calmness, greed and affection. The skit was creatively interwoven with energetic dance performances and melodious songs, which enhanced the storytelling and captivated the audience.

The performances effectively conveyed the message that each colour symbolizes an emotion and that learning to balance these emotions plays a vital role in shaping our humanity and personal growth. The celebration concluded with a heartfelt vote of thanks, expressing gratitude to all who contributed to the success of the event. Spandan: Hues of Humanity was truly a memorable and successful celebration for the entire school community.
