ROLE PLAY ON GRAM PANCHAYAT

Grade 3 students presented a role play on the Gram Panchayat to understand how local government functions in villages. Students enacted roles such as the Sarpanch, Panchayat members, and villagers, and discussed issues like cleanliness, roads, and water supply.

This activity aligns with the vision of NEP 2020, promoting experiential and activity-based learning. It helped students develop communication, teamwork, and problem-solving skills while understanding democratic values and community responsibility.
