

# NATIONAL PUBLIC SCHOOL KENGARI, BENGALURU

GRADE 3

Booklet making: Birds

A booklet making activity on the topic "Birds" was conducted to help students learn about different birds, their habitats, and food habits.

Students created small illustrated booklets with short descriptions and drawings of birds. The activity encouraged creativity, observation, and writing skills. It also helped students develop awareness about biodiversity and the importance of birds in nature.

presentation

This activity supports NEP 2020 by promoting experiential, activity-based, and art-integrated learning. Students actively participated and showed improved understanding through creative
