PUPPET SHOW

A delightful and engaging puppet show was conducted on 5th June 2025 for the students of Grades 1, 2 and 3. The event aimed to provide young learners with an enjoyable experience while also conveying important moral values. Teachers creatively brought colourful puppets to life, presenting an interesting story that highlighted the values of kindness, cooperation, and teamwork.

The lively narration and expressive puppet movements captured the attention of the students from the very beginning. The children watched the show with great excitement and responded with laughter, curiosity, and enthusiasm throughout the performance.

The puppet show not only entertained the students but also served as a valuable learning opportunity. It helped enhance their listening and observation skills, while gently reinforcing positive values and good behaviour. Overall, the activity created a joyful atmosphere and left the students with meaningful lessons presented in a fun and memorable way.
