### **Class V Educational Field Trip Report** **Movie: "Nilgiris – A Shared Wilderness"**

*"Field trips bring lessons to life, making learning real and memorable."*

National Public School, Kengeri had organised an exciting educational field trip on 5<sup>th</sup> August 2025, Tuesday for Grade 5 and Grade 6 students accompanied by teachers to Gopalan Mall to watch the movie "Nilgiris - A Shared Wilderness." The documentary, produced by Sandesh Kadur and Robin Roy, beautifully captured the rich biodiversity, landscapes, and wildlife of the Nilgiri region.

The movie highlighted the importance of conserving forests, protecting endangered species, and maintaining the delicate balance of nature. Students were fascinated by the breath-taking visuals of elephants, tigers, and unique bird species, as well as the cultural connection people share with this wilderness.

After the screening, students had a wonderful opportunity to interact with the producer. The session was enriching as they asked questions, learnt about wildlife filmmaking, and understood the challenges of protecting the environment.

The trip was not only enjoyable but also educational, teaching students the value of conservation and the need to live in harmony with nature.

**Learning:** Students realized that every small step towards protecting nature can make a big difference for the future.
